BIFROST 1976

Vanguard School
Waco, Texas

The 1976 Bifrost is dedicated to the memory of the founder of Vanguard School, Dr. R. Louis Bright. He was a man with a unique vision who saw the need for an alternative educational system and set about to make that vision a reality. Vanguard is here because of his vision and his dedication.

Dr. R. Louis Bright

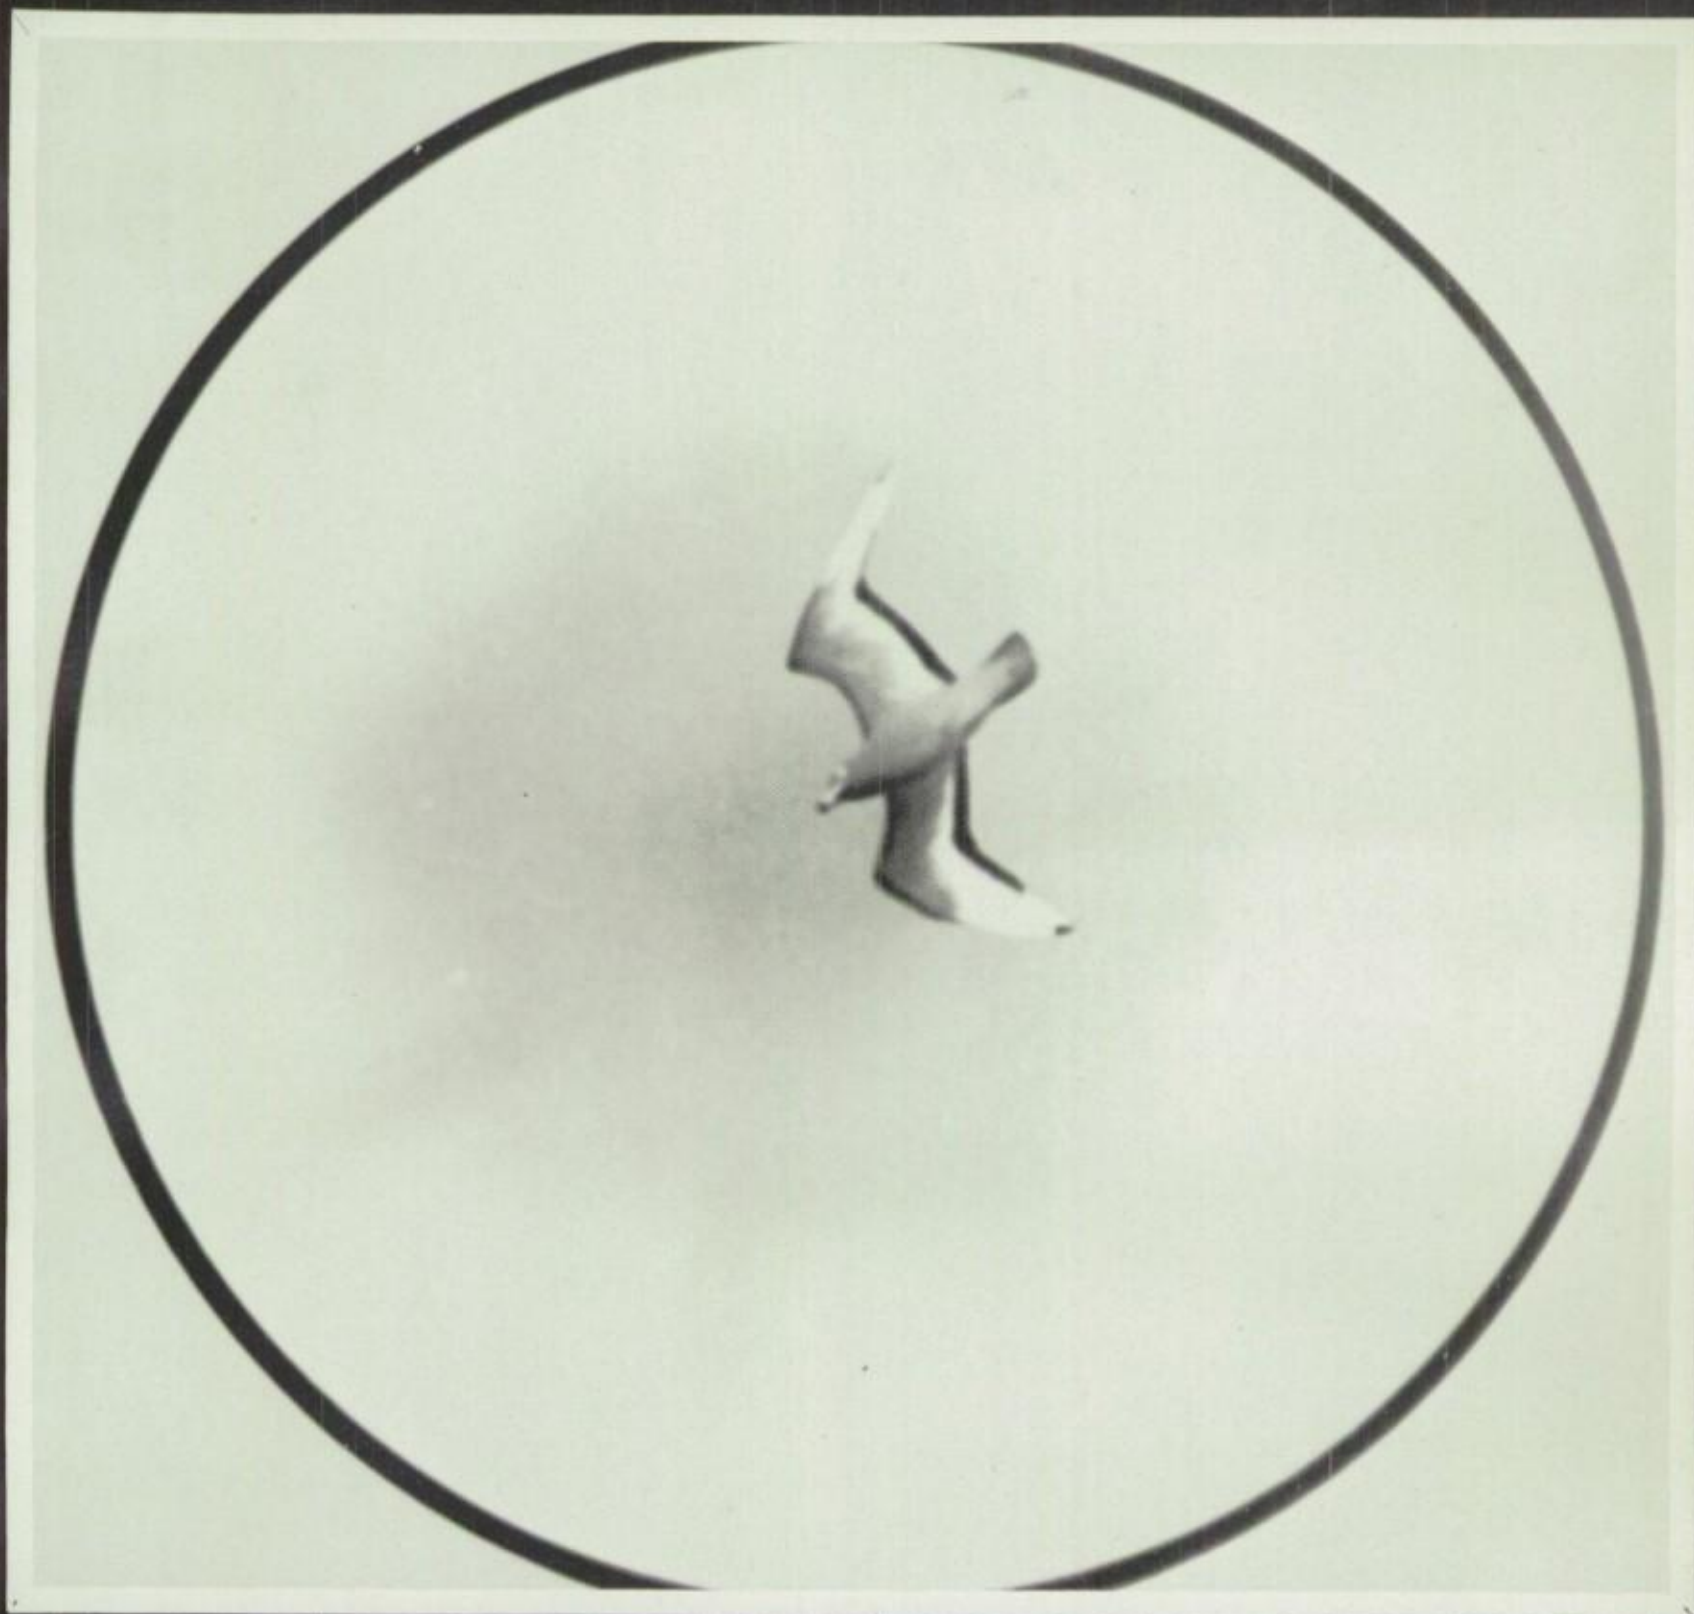

Swans Against the Sun

Wild grace
Has its own place
Has its own face
Prone to flight ...
Sky grown
Wind blown wing flown
Over air blown ...
Flashing
Freely clashing
Love of chaos
Love of one
Bright storms
Rising free forms
Wild swans against the sun ...

Spirit
All men fear it
None go near it
In the night
Some say
Love goes one way
And then one day
No more flight
This year
It is not clear
Just what ends here
Or what's begun
We are bright storms

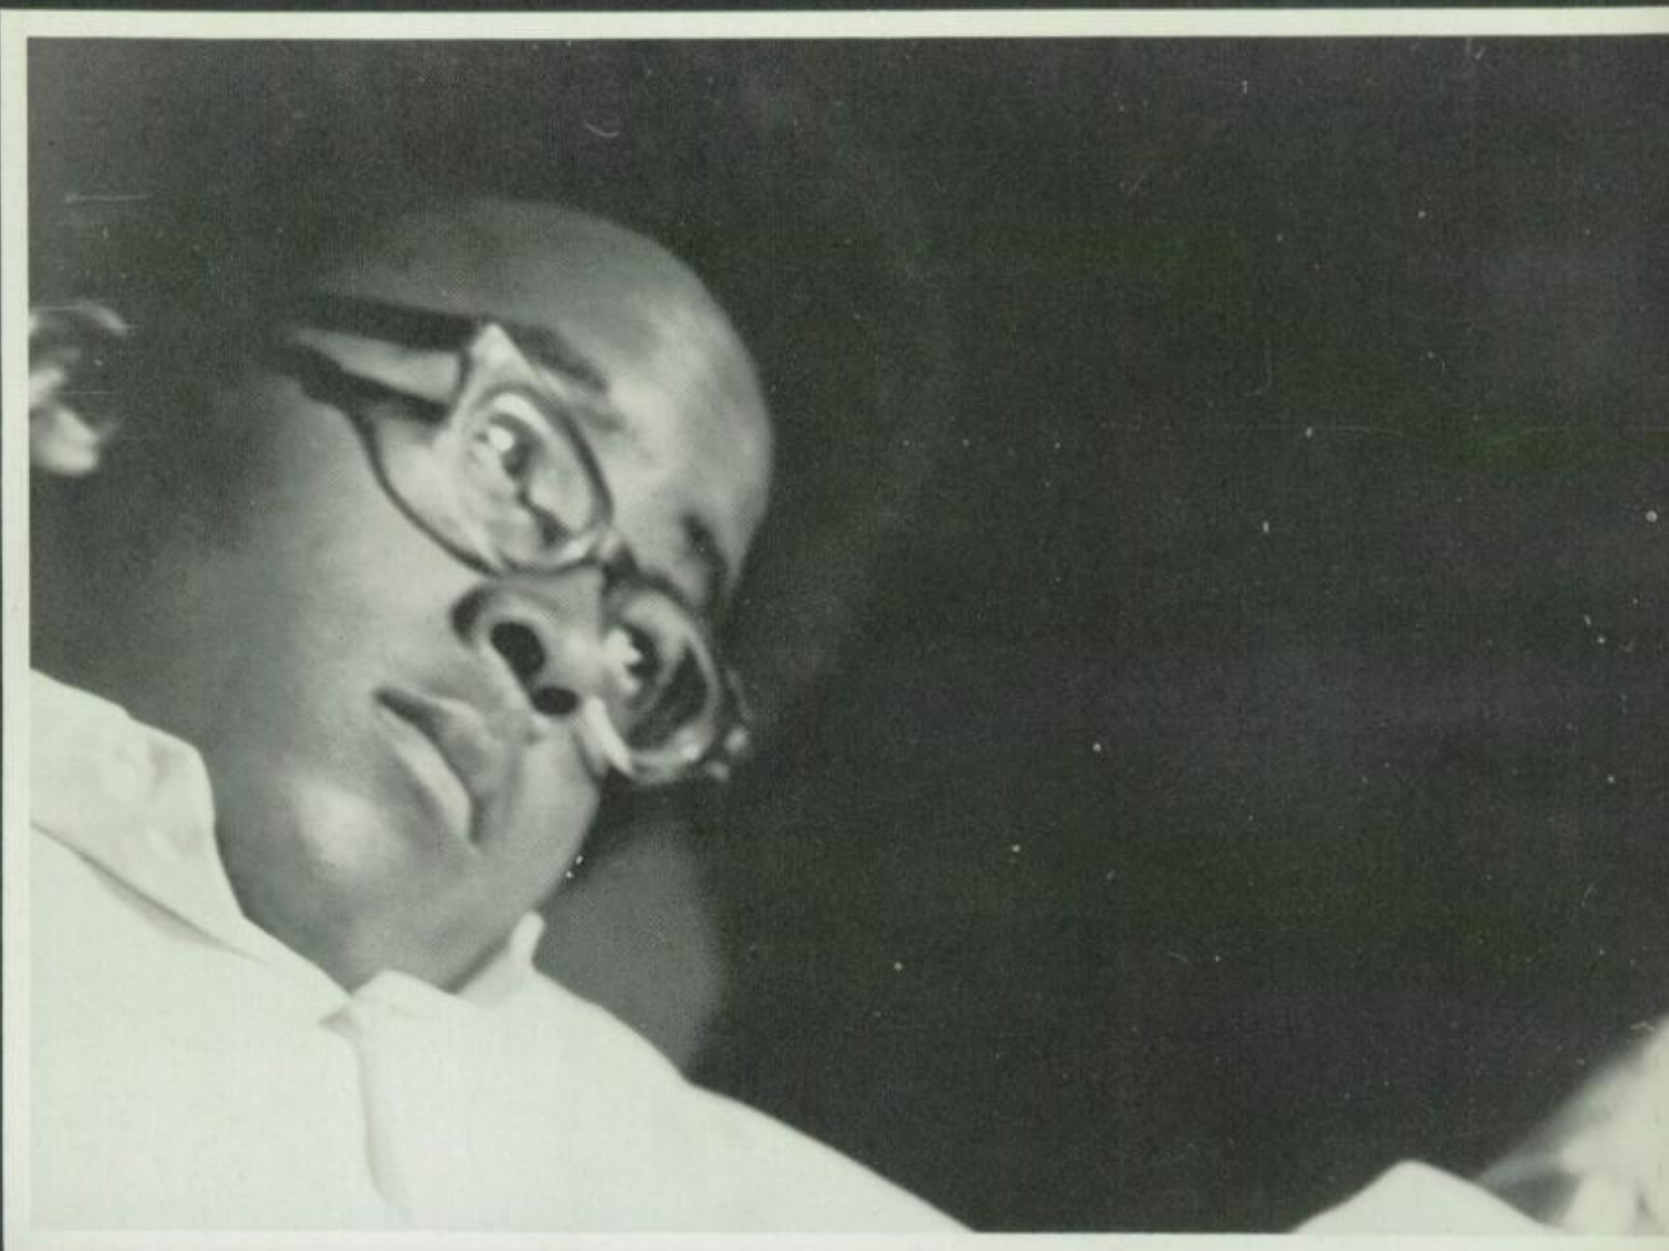

Rising free forms
We're wild swans against the sun ...

—Michael Murphy

THE HAPPY TIME

Ross Vick

Pictured on this page are scenes from the 1975-76 production by Vanguard School. The musical was entitled "The Happy Time." Many members of the faculty and student body were involved in putting on the play, which was an outstanding success and received standing ovations by a full house on both night of its two-night run.

Your innocence gleaming, from pure
efforts streaming, within your

We are not naive, nor expect to
be grieved, you are really a

We'll love you and hug you, and
